Now that you have been accepted, what’s next?

Things to do prior to enrollment:

☐ Set up your UTMB email account (refer to the email received from Enrollment Services) and check it regularly for official information. Your account will be disabled due to inactivity if you fail to login for ninety days.

☐ All entering students must have undergone a security background check and drug screen. Within 30-60 days of the beginning of your start term, students will receive a CastleBranch eVite at their UTMB student email providing the link to CastleBranch, the company responsible for background/drug for UTMB students.

☐ All entering students must submit required proof of immunizations. (Click to download list of Immunization Requirements.) You can complete your immunization information and upload supporting documents using the Immunization Information tile on your Home Page in mySTAR (click for instructions for the UTMB Immunization System.)

☐ Secure mandated health insurance coverage and submit proof (see Student Health Insurance on the Student Accounts webpage).

☐ Submit final transcripts to Enrollment Services
  - Check “to do” list in mySTAR to view outstanding documents
