The Holiday Style Fashion Show & Luncheon was established by UTMB’s School of Nursing to help support its Honors Program. This sophisticated daytime gala features a professional runway show, exclusive silent auction packages and a gourmet meal to gather our supporters in a formal setting and recognize our honor student recipients.

Funds raised at this year’s event will fully fund eight honor students pursuing their Bachelor of Science in Nursing (BSN) degree in the 2019-2020 school year.

The Honors Program attracts some of the brightest and most sought after nursing students in Texas. This prestigious program grooms students to be leaders in their field. Participants in the program perform at the top of their class, engage in an immersive community and public health project, and engage with state and local legislators on health policy issues. Investment in these brilliant students will yield great rewards for the patients, families and communities they will serve.

"When I attended the fashion show, I felt so much gratitude for all of the people who attended and/or donated money. It is amazing to think that people who don't even know me would offer something so substantial and helpful towards my future. Being able to tell all of them ‘thank you’ in person, and get to know their life story was so special. I am grateful to those who helped me to be in this program through this scholarship"

– Jamie Berry, class of 2019
